

Dear dog owners

A warm welcome

We are looking forward to welcoming you and your four-legged friend in our hotel. So that your dog can feel very quickly comfortable, a small surprise is waiting for him.

Ask in the restaurant for our "Schnauziis" and treat your dog to a delicious cooling off.

Enjoy the beautiful view and the countless walking and hiking trails around the Heidlake. The reception will be happy to help you with a village- or a hiking map. Please note that dogs must be kept on a leash. We wish you and your dog a pleasant stay.

In your room

If your dog is going to stay alone in the room, please hang out the card "Dog alone in room" on the door so that the chambermaid does not enter the room. Dog owners are advised to contact the chambermaid directly to discuss when the room can be put in order.

If your room has a balcony, your four-legged friend is welcome to spend his time there, preferably on a leash. However, please make sure that he does not get involved in a conversation with other dogs on other balconies while you are away.

We provide a towel for your dog to dry his paws. Please do not place your dog on the upholstered furniture or on the beds. For additional towels, bowls or other utensils, please contact the reception desk.

Should your dog have an accident in the room, we will do our best to correct it professionally (against payment). Please do not hesitate to contact the reception desk.

Around the hotel

Dog owners are obliged to eliminate their dog's business. Herewith you receive the practical Robidog bags or you help yourself directly to one of the Robidog containers, which you will certainly walk along outside.

Access regulation

Your four-legged friend is not allowed in the breakfast room because of the open buffet. You are welcome to take him on a leash to the restaurant. The service staff will be happy to allocate you the appropriate table.

Thank you for your understanding!
